

what is BCD?

Do you want to take part in an international career event? Get to know companies from across Europe? Take part in workshops and presentations? Now you can achieve this. Find your career opportunities with **BEST Career Day / FiBEST International**. **BEST Career Day (BCD)** is an international job and university fair for students from universities of technology combined with workshops and presentations of companies from all over Europe. During **BCD** you will have the opportunity to talk with employers, take part in interviews, workshops, presentations and discover the beautiful city of Valladolid (Spain).

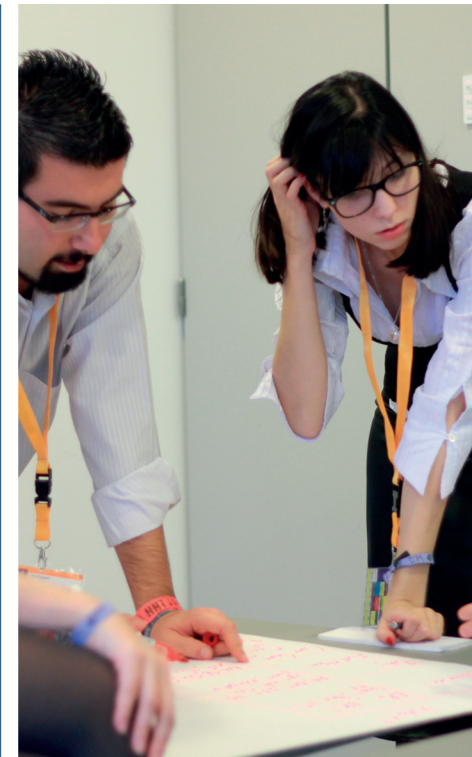

how to apply?

Registration on **BEST Career Day / FiBEST International** is very simple. All you have to do is to create your own CV (by filling your profile) on BEST.eu.org and answer 3 questions. Make sure your CV is complete because companies will be the ones electing the 100 participants. Don't wait anymore and apply until **7 march 2013**.

why should you apply?

During **BEST Career Day** you will have the opportunity to participate in a job fair, workshops and company presentations. You'll also be able to talk closely with employers about jobs and ask them questions about hiring requirements. Additionally, you will meet students from all over Europe and have good time in Spain. Don't wait any longer, **apply today!**

when & where?

BEST Career Day / FiBEST International will take place on **April 19** in **Valladolid, Spain**.

About BEST

BEST, Board of European Students of Technology is a constantly growing non-profit and non-political organisation. Since 1989 we provide communication, co-operation and exchange possibilities for students all over Europe.

Present in **93 universities from 32 countries** via local BEST groups, we have created a dynamic, innovative, well-organised and growing student network. Our vision, "**empowered diversity**" means that we strive to achieve an environment that supports people in acting responsibly and applying their full potential in the academic and professional field.
